

**- TENNIS FOR FREE SCHEME -  
QUESTIONS & ANSWERS**

# What is TFF?

A weekly free community tennis session delivered on public or private facility tennis courts. There are two options: TFF (for all members of the community) or TFF Lite (for 12 years and over).

# Who covers the costs?

TFF cover all costs including the hourly rates of those delivering the session, the equipment, the storage box, PR campaign and PR materials. In short, everything required to run the weekly sessions.

# How long are the sessions and when are they??

TFF is 90mins run at weekends. TFF Lite is 60mins and can be run at weekends or a 6pm-7pm slot on weekdays. The scheme would run for a minimum of a year and hopefully many years as the community grows.

# Who runs the weekly sessions?

One (TFF Lite) or three (TFF) coaches and assistants deliver the weekly sessions. They are dbS checked, qualified, trained and insured to run the weekly sessions.

# Any expectations from Council / Court Operator?

All we're looking for is Support + Encouragement, 3 Tennis Courts every week for 90 minutes (or 2 courts & 60mins for TFF Lite) + some additional FREE court access for others wanting to play tennis at other times of the week.

# Where can I find more info?

There's an [Understanding TFF Document](#) that outlines everything about the scheme and our website contains everything about us: <https://tennisforfree.com>

# What Does TFF Provide?

## STRONGBOX STORAGE & EQUIPMENT (TFF session only)

5 ft, 4 ft, 2 ft  
215 kg
